Henry VIII wanted Mary, Queen of Scots, to live in England and his men to run Scotland for her. He had proposed a marriage between Mary and his own son.

In the spring of , Scots breathed a sigh of relief as a brutal military conflict with England was formally ended by a treaty signed at Norham. "deepdarkhole.com birth of Mary, queen of Scots, in December , only a week after her father's death, seemed an ideal opportunity to unite the thrones of England.

Rough Wooing. Content. Mary Queen of Scots' betrothal to Edward VI of England did not sit well with the Scots. They objected to the demands of the Greenwich.

In , Henry's sought war with France; but before that, he must make sure his northern borders were safe. So began the Rough Wooing.
