

Chronic illness has the ability to rob life of its joy and meaning. The social, psychological, and emotional challenges of a chronic illness can destroy lives and leave empty human shells in its wake. But just as chronic illness is a thief, it is also a giver. It has the ability to transform lives by providing countless opportunities for knowledge, personal growth, and perspective. Chronic illness challenges us to accept its intrusively difficult nature and grow through the difficulty. Through a series of poignant essays and chronicled journal entries, Bittersweet Chances recounts Doug and Dana Broehl's journey of growth through the darkness of cystic fibrosis and the renewed hope of a double lung transplant.

The Fair Maid of Perth. Illustrated by D.C. Smyth, Stamp Magic: Inspired Effects With the Easiest New Decorating Technique, Modern Love And Other Poems By George Meredith (1904), Blackwoods Edinburgh Magazine, Volume 50, My Hot Bedtime Stories: Volume 2, A Summer To Remember (Heartland), Gorko!: Mississippi Mud and Moscow Madness, Economics: Principles, Problems, and Policies (Homework Manager Edition), A Whisper of Love 1, Catalog of Type Figured and Referred Mazon Creek Fossils in Private Collections,

Bittersweet Chances has 4 ratings and 1 review. Chronic illness has the ability to rob life of its joy and meaning. Recommends it for: anyone living with CF.

Sofia: Every passing minute is another chance to turn it all around. David: I want to live a real life I don't want Edmund: It's been a brilliant journey of self- awakening. Not all rich kids are soulless, and not all psychologists care about disease. Learn to be an asshole. .
