

Detective or Serial Killer? When a legendary detective tracks a serial killer, its just a question of time, right? Not if the murderer is a detective, too. When Captain Charlotte Coil tries to nail the killer, she brings down the boldest smuggling ring in the west and uncovers a haunting memory from her past. Interview The following interview with the author was conducted in October, 2015. Q - What makes the Control series unique? A - The people in the book and variety of genres. The second book, Coil's Cold Justice, is Part 2 of a massive novel, Control. I decided to offer the novel's parts as freestanding books to introduce the characters to lovers of crime thrillers. Since I love reading mystery and thriller, private detective, political thriller and serial killer novels, I'm producing these genres in one series. Each book in the series is one of the five parts of the novel and is based on a new lead character. The idea is to introduce and focus on each person, while at the same time driving the action forward, a real page-turner. Q " Do we have to read the books in any particular order? A " Not really. I've designed each part's story so it stands alone, and you can read the books in any order. All of the story and subplot threads tie up in Book 5, but each book contains its own main plot that climaxes and resolves in that book of the series. If you do want to read them in order, I suggest following the Book numbering sequence: 1 " McKuens Revenge 2 " Coils Cold Justice 3 " Annie's War 4 " Carla's Mission 5 " Annihilation Q - Why should readers give these books a try? A " The Control series moves fast. They're crime thrillers which leave you wrung out and satisfied. The books contain kidnapping, serial killers, vigilante justice, smuggling, terrorism and cyber-crime. The series winds up with an ending that rivals many horror novels. The good guys win, of course, but not without paying a life-changing price. Add generous helpings of romance throughout, and you've got plots that twist and turn all the way to the end. Q - Can readers get the whole series in one book? A " Absolutely. The novel Control is the five books packaged together as one. Just take a look at my author page for more details, and a full list of available titles. Q " Are there prequels or sequels available? A " Yes, the novels Illusion and The Greatest Game feature the same people in the same locations. Illusion sets up Steve McKuen's story, and The Greatest Game sets up Charlotte Coil's. Annie McCarthy figures prominently in each of them. As mentioned, please see my author page for those books. Q " Anything you would like to add? A " Thanks for reading! Control Series eBook Categories: - Mystery Series - Crime Thrillers - Women Detective Novels - Private Detective Series - Thrillers and Mysteries Best Sellers - Thrillers 100 Must Reads - Thriller Detective Series - Urban Crime

Im Suicidal. Now What? (Teen Life 411), Classical Training for Paso Gaited Horses and Their Riders, Wife On Approval (Mills & Boon Cherish), Bittersweet Legacy: Lorette and the Wild Thyme Hotel, Deadpoolmax 2 #4, Land Shark, Tumbling Through Time,

Coil's Cold Justice has 7 ratings and 4 reviews. Linda said: I need to start by saying I have not read the first book in this series. I think I would hav.
