

Filled with straightforward, accessible information that can be used in everyday life with dramatic, positive results, this compendium of craft ideas provides clear instructions for constructing 20 practical, magical, and spiritual items and shows how to employ simple metaphysical techniques to maximize their potential. Projects include a magic wand, a divine dream pillow, a gemstone amulet, a divining pendulum, prayer beads, power talismans, mystic runes, and magical beeswax candles. Each chapter features fascinating background information, illustrated examples, and other creative tools to help stimulate the imagination, such as chants and prayers. Additional magical association keys—including guides to color, astrology, moon phases, crystals, metals, and numerology—help crafters focus their intent to achieve specific goals, from love and wealth to happiness and health.
