

Philip R. Craig has entertained thousands of readers for almost 20 years with his mystery novels about J.W. Jackson, a resident of the Island of Marthas Vineyard who solves murders in his spare time, when he isn't fishing or raising a family. Good food and fun meals have been important to the characters in Phil's seventeen Vineyard mysteries, and recent books in the series have each included three recipes the Jackson family enjoys. Now, in partnership with his wife, Shirley Prada Craig, Phil Craig presents what foodies and Jackson fans have been craving: a whole book devoted to 250 of these Island recipes collected over the Craigs' almost 50 years of marriage.
