When Hannah suggests they marry mail-order husbands, Katie jumps at the chance. But bringing three new men to Campbells Corner isnt as simple as happily ever after. Will their hopes for true love end in disaster? Josie's Mail Order Husband: Book 2 Book 2 of the Montana Prairie Brides Series reveals the resolves of Josie Campbells husband, Jim Eaton. After Jim takes after Katie Matthis with a gun, everyone at Campbells Corner fears their new neighbor must be a murderous villain. Even Josie can hardly bear to live in the same house with him. She can only relive the nightmare of her first husbands death. Everywhere she turns, she sees guns in every corner of her house. What if Jim shoots himself the way John Campbell did, or worse yet, someone else? In spite of her fear, Josie cant help falling for handsome Jim. His magnetic personality and burning sincerity wins Josies heart, even as she struggles to understand his hostility toward their neighbors. Josie finds her heart and her loyalty torn between her new husband and her closest friends. Meanwhile, something unusual is going on at the Dempsey Ranch between Hannah and her new husband, Peter Cummings. Hes not like any cowboy theyve seen before, and no one can understand how theyre going to manage their ranch. Will Josie find a way to reconcile her old loyalties to her new life? If Jim really is as dangerous as Katie and the others think he is, how can Josie get out of a marriage to this dangerous criminal? When the situation reaches its ultimate climax, Josie must use all her strength to bring her friends and her husband together in harmony at last. Hannah's Mail Order Husband: Book 3 In Book 3 of the Montana Prairie Brides series, the romance deepens between Hannah and her new husband, Peter Cummings. Hannah isnt happy with her mail-order husband. She just buried her first husband after a battle with influenza, and she got a new husband to help her keep her ranch going. But her new husband, Peter, isnt cut out for the job at all. Hes weak, and hes sick. Can he ever be more than a millstone around Hannahs neck? Its bad enough that she cant enjoy the intimacy of her good friends, Katie Matthis and Josie Eaton, the way she used to. Why does Hannah feel so guilty about her situation that she wont even confide in her dearest friends? They would help her if they only knew whats bothering her. But Hannah cant bring herself to share her burden with anyone. Peters illness puts a strain on her she can hardly bear. Keeping her feelings and worries bottled up only makes them more unbearable by the day. Hannah would love to end this ill-fated marriage. She even plans how to do it. Peter misrepresented himself when they corresponded by mail about getting married, so Hannah may have grounds to send him packing. The only problem is shes starting to love him. Before she makes the biggest mistake of her life, Peter will show her hes not ready to roll over and die without winning her love for good.
