In her new calling she finds herself sent to London to run a hostel for the homeless. Here, while doing good works, she combats prejudice and crime. As Sister Rose attempts to save a homeless woman from a local gang boss, events crystallize, taking her back to Newcastle, the scene of her nightmares, to play out the final confrontation against drug traffickers, murderers and old enemies in the police. She finds her spiritual self and a new identity. She is healed through faith and forgiveness. Survival, trauma and grief, can the human spirit triumph, can good prevail over evil despite everything.
