

This guide provides corporate counsel and international practitioners with a comprehensive worldwide legal analysis of the laws and regulations of class and group actions. It is divided into two main sections: Four general chapters. These are designed to provide readers with a comprehensive overview of key class and group actions issues, particularly from the perspective of a multi-jurisdictional transaction. Country chapters. These provide a broad overview of common issues in class and group actions in 21 jurisdictions. All chapters are written by leading class and group action lawyers and we are extremely grateful for their excellent contributions.
