

Suffering from a dark past, he lives his life with passion but no purpose. She planned everything except him. Billie Price has always had a plan for her life. On the surface, it all appears on track. But there has always been something missing. Even though she has a purpose, there is no passion to fuel it. Then she meets a mysterious stranger with a dark past. Except Evan Wright is all kinds of wrong—the tattoo-clad, guitar-strumming, Harley-riding modern day drifter is definitely not the right man for her. Yet she finds herself drawn to him and The Lost Souls™ Club—the eclectic bar where he works. As all her carefully strung plans unravel, Evan is there to comfort her. As their attraction grows, Billie can't resist the temptation, even though Evan will leave in the fall. At least they have all summer together, not to mention the man knows how to narrate the perfect sex scene for the book she's writing. But as she crashes into Evan's world, Billie has to ask herself—can passion prevail when there is no purpose?
