

From ITW Thriller Award nominee for best novel, Robert Gregory Browne, comes: **MYSTERY I DARE YOU SOLVE**. Ethan Hutchinson hasn't seen his old college pals in nearly ten years. Now fate has brought them together again as one of the gang is put on trial for a brutal, senseless murder. The Chicago police and prosecutor think they have their perp, but Hutch isn't about to sit silently in a courtroom as someone he cares about "someone he loves" is wrongfully convicted. **CATCH-YOUR-BREATH PLOT TWISTS**. When Hutch and his friends join forces to search for the real killer, what they find shatters every notion they have about friendship, loss and redemption and may very well cost Hutch his life. Browne delivers again with Trial Junkies. Great characters, sharp, smart dialogue and a mystery I dare you to solve. It doesn't get any better than this. ~Cindy Gerard, New York Times Bestselling Author of Last Man Standing With the emotion-tugging nostalgia of The Big Chill and the catch-your-breath plot twists of Runaway Jury, Trial Junkies is not only a must-read, it's destined to be a classic. ~Debra Webb, nationally bestselling author of the Faces of Evil series
